## INFORMATION BEFORE CLASS 1 BEGINNERS

Hey Swing dancer!

Classes start tonight! Are you looking forward to it? Here you find all information you need before the first class. Read it well.

See you on the dancefloor!

### **What to wear**

We love a vintage lifestyle and appreciate a nice outfit a lot, but we also understand that sweatpants just feel nice. Wear whatever you like to class.

The most important part is your shoes. They have to be flat or with a minimal heel. Preferably with a smooth sole. Do not wear very big shoes or high heels. Those will take the sing out of your swing.

Keep in mind that dancing is a sport, if you need fresh shirt or towel, bring in with you.
